

## LIFE INITIATIVE

- *Cares for people in body and soul*
- *Teaches about the sanctity of all life from conception to natural death*
- *Translates and produces life-affirming materials in Spanish*

### SUMMARY

Life Ministry in the Latin America & Caribbean (LAC) region speaks up for life, cares for people in body and soul, and teaches others about the sanctity of all life. We believe that all life is precious, valued, and created by God. From this perspective, Life Ministry in LAC focuses on areas of life where the world and our sinful nature have distorted this belief, such as abortion, marriage, Christian family life, euthanasia,

sexuality, disability, care of the elderly, and more.

Life Ministry in the LAC works to translate and produce Spanish language life-affirming materials. Additionally, they encourage and facilitate conversations and provide educational opportunities to train and equip Lutherans around Latin America to speak up for life.
