

PERU MISSION

- **Supports outreach through three congregations**
- **Multicultural ministry team works together with local leaders and US partners**
- **Ample opportunity for expansion in a city of more than 10 million**

The Lutheran Mission of Peru, established in 2010, is the umbrella organization for church planting in the country. The mission is served by a seasoned LCMS Pastor, an alliance missionary pastor from Brazil and a Peruvian pastor. Together, they serve four growing church plants in Los Olivos, La Victoria, and San Borja, and Ventanilla.

The faithful Peruvian staff at Castillo Fuerte work alongside missionary pastors to share the Gospel and show mercy to the community. There, children receive a daily meal, homework help, emotional support and God's Word. Each week, Divine Services draw the

Children with their families and others from the community.

We pray the Lord of the Harvest will raise up men to be formed as pastors and provide more faithful shepherds to assist in Spreading the Gospel, Planting Lutheran Churches and Showing Mercy to the Peruvian people.
